Presbyterian Church: PO Box 239,  
Fort Calhoun, NE 68023

## Bill Pay

- Bill Pay is a service that allows you to send payments automatically from your bank account. You determine who to pay, and when you want to make the payment(s).
- Most banks offer bill pay services at no cost. If you have online banking access, you may be able to set up bill pay on your own. If you don't wish to go it alone, simply call your bank for assistance.
- Banks send payments one of two ways - electronically or by mailing paper checks. Fort Calhoun Presbyterian Church cannot currently receive electronic payments, but we can receive paper checks.
- Benefits: Save time by having the bank automatically send your recurring donation. Save money by having the bank generate and mail checks rather than using your own checks. Gain peace of mind knowing that your donation will be sent even if you miss a service.
