Hello Friends,

We want to take a moment to THANK YOU for your commitment to stewardship over the past year. Your generosity is impacting lives and bringing about change.

Our 2019 stewardship campaign is underway and we're asking again for your participation. Financial support from our congregation enables us to offset the business expenses of the church (staff, utilities, maintenance, etc.) in addition to providing for outreach and educational programs that serve our congregation and community.

Our stewardship theme is, Live Simply, Live Generously.

Think about how these two verses from 1 Timothy 6:18-19 apply to our lives:

(18) They are to do good, to be rich in good works, to be generous and ready to share, (19) thus storing up treasure for themselves as a good foundation for the future, so that they may take hold of that which is truly life.

Many of us are living the supposed "American dream." We've accumulated lots of stuff. Some of us have even bought a larger house just so our stuff will fit into it. On the other hand, some of us know how difficult it becomes when we need to downsize our stuff.

Shouldn't the "American dream" be less about stuff and more about achieving a meaningful life? When you look back on your life, what do you really want to be your legacy?

We can all live a life of simplicity and generosity. It doesn't have to be a pipe dream. After all, God provides for all the needs that we have.

Thank you again for your past financial support and for your participation in the ministry of Fort Calhoun Presbyterian Church. And thank you for standing with us as we seek to accomplish all that our Lord has set before us in 2019.

Jack Dill, Laura Pullen, Ralph Bluedorn and Gregg Miller
