EASTER EGG HUNT

APRIL 21, 2019

AFTER EASTER WORSHIP
FOR THE ELEMENTARY KIDS

PASTOR'S CORNER

Pastor's Corner

This month your Session will begin to review and update our ministry priorities and goals. We haven't done this for a few years, and to be honest it is well over do. As our community continues to change, we also need to change with it. I said last month, our mission doesn't change but our methods will change. I hope you will help your church understand what you need from your church.

- What activities do you want us to be involved in?
- What types of learning opportunities are you interested in us offering?
- How might you be involved in helping the ministries of the church – volunteer, teacher, coordinator of events, planning team, mission participation?

We have planned activities and mission projects, but we have very little involvement which is disappointing to say the least. Our faith calls us to be involved, to put our faith as the highest priority in our lives. When we do then we are able to give our jobs, family, community our very best because God leads our hearts and minds to do our best. As I witness less then committed involved in what we are about, it calls me to gather our Elders and find out how we can improve being a strong community of faith. It will force us to be honest with ourselves and it will make us go in new directions. So, we will be asking ourselves these questions:

- What are our priorities of ministry involvement? Local involvement, Presbytery involvement, ecumenical involvement.
- What kinds of leadership do we need? Youth ministry, Faith Village, Elder, Deacon, Pastoral – nothing is off limits to address what you need to help you be the best disciple of Jesus Christ.
- What impact do we want to have in our community? In our schools, to our neighborhoods, in our sports association, city structures.
- How often are we doing mission projects? I know that people are busy and so we need to be realistic so that we can maximize our involvement.

We have so many opportunities every day to glorify God through what we do. I pray you will reach out with some of your thoughts on where, how, and often you believe God is leading FCPC to fulfill its calling in the years to come. I continue to ask for your input, and I pray that the Holy Spirit will move everyone to respond! You can share your thoughts with me in person, or through email – pastorgreggfcpc@gmail.com.

To God Be the Glory!
